**Directions:** Color the pictures & trace your new Spanish words.

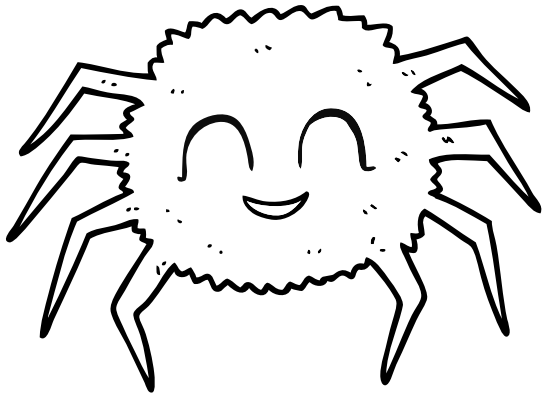

ABEJA

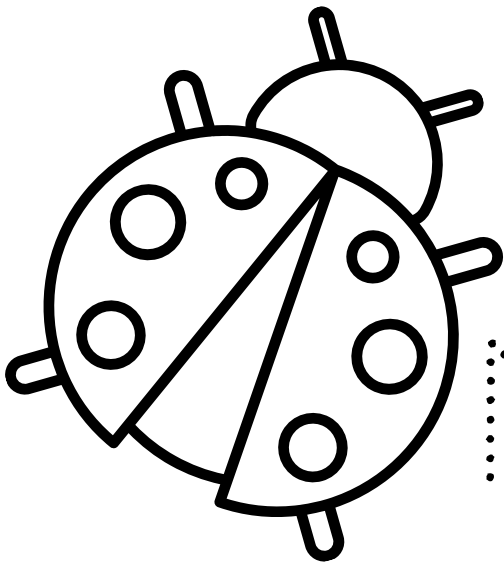

MARIPOSA

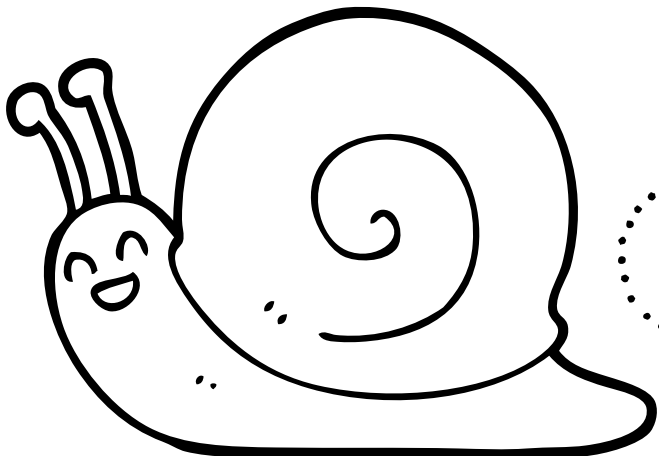

HORMIGA

ARAÑA

MARIQUITA

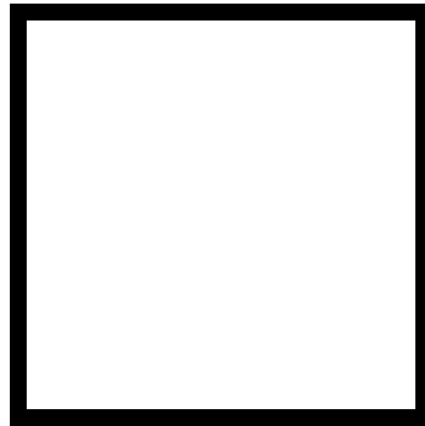

CARACOL

**Directions:** Read the clues and cut and glue the correct bug in the box next to the clue.

**Clue #1 / Clave #1:**

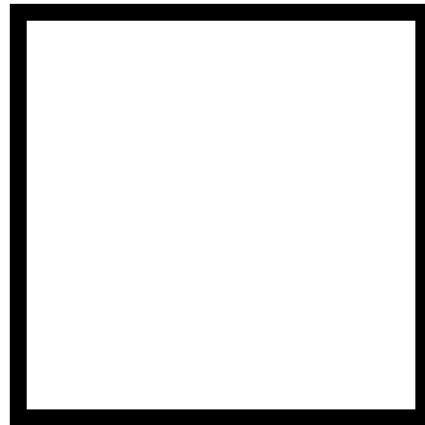

I have 5 eyes & can fly up to 20 mph. I harvest pollen from flowers.

abeja

**Clue #2 / Clave #2:**

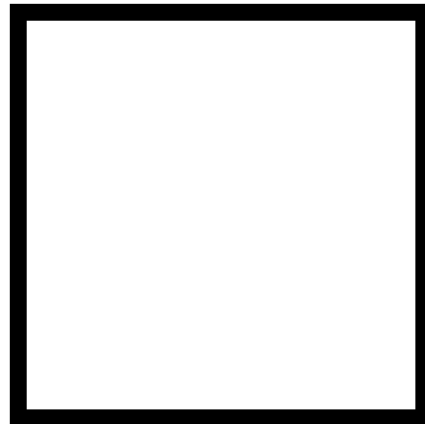

I have 4 brightly colored wings & eat plants and leaves.

mariposa

**Clue #3 / Clave #3:**

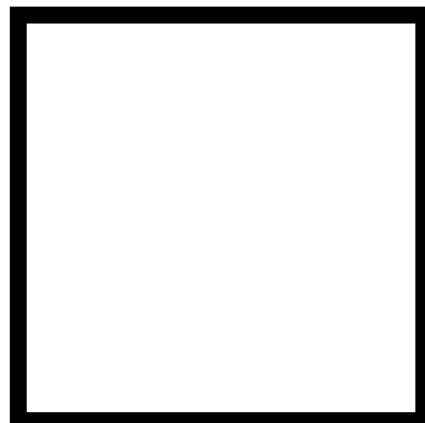

I don't have ears & can lift up to 20x my body weight. I am the longest living of all insects.

hormiga

**Clue #4 / Clave #4:**

I have no backbone & have a shell. I am found on land and in the sea.

caracol

**Directions:** Use these bichos del jardín to cut and glue in the correct boxes above based on the clues. There are 4 clues and 6 bugs so all of these pictures won't be used.

Good Luck! ¡Buena Suerte!
